Date: May 23-25, 2016

Venue: Ormylia Foundation - Art Diagnosis Centre, Ormylia Chalkidiki, Greece

www.ormyliafoundation.gr

We would like to thank all of you that have submitted a paper for IRUG 12 biennial meeting.

For those who didn't meet the deadline, there is a last chance: The deadline for abstract's submission is extended till December 31, 2015. This is a final opportunity to submit an abstract.

The Conference will held in Ormylia Chalkidiki, Greece, May 23-25, 2016. The conference will include oral and poster presentations addressing all aspects of the application of IR and Raman spectroscopies for the study, documentation and protection of the world's cultural heritage.

A special topic that will be addressed within the conference sessions is the Advancements in Infrared and Raman Spectroscopies Applied in Archaeological Science.

Important dates:

Abstract Submission (500 words): September 20 – December 15, 2015 (Extended to December 31, 2015)

Notification of Acceptance: January 15, 2016 (Adjusted to January 31, 2016)

Final Program: February 15, 2016 (Adjusted to March 1, 2016)

Registration: September 20, 2015 – April 30, 2016 (Normal 250 €, Student 150 €)

Conference: May 23-25, 2016

Further information for abstract submission and online registration procedures, social events, accommodations and transportation is published at the Conference Website: IRUG12-ormylia.gr

The official conference language is English.

Looking forward to your abstract submission and to seeing you in May 2016.

Welcome to Ormylia, Greece!

On behalf of the Organizing Committee, warmest wishes for Merry Christmas and a Happy New Year!

Sophia Sotiropoulou, Chair of the IRUG 12
